Yes, I send an invoice each month and I get paid by wire. I am a 1099 so yes W9 would work.

Thanks for those answers.

Do you normally fill out a W9 for these ? I will need to get you a 2014 W9. Will send to you this week.

Also, your dollar amounts will be too large for paypal. How do you normally get paid ? wire ? check ?

I have a few straggler items to email you. Will send you a couple of emails shortly.

Talk to you soon.
