Hey [XXXXX],

All technology and biotechnology articles are mine on SA from Equity Flux. No, I have no prior agreement with anyone about [XXXXX]. I think we should work with \$600 flat for all and if its more than one article on the same company, we can obviously do a bulk thing.

Hi [XXXXX],

It is nice to hear from you and I am interesting in working with you. I have worked for a couple of other people and the have been paid as follows, \$600 per report for SA and Fool, \$500 for Small Cap Network. I haven't worked with any packaged deals etc before but I am sure we can work something out. I can also contribute to Benzinga etc.

Profiles for Fool

For Seeking Alpha

For Equity Flux I contribute in partnership with some other people. I can publish articles there but in no way can you contact Equity Flux from their SA message or company email.

Let me know what you have in mind and what you can offer. We can obviously work on package deals and discounts on second reports on any company etc.
